Next Generation T10 LED Retrofit

LED technology is everywhere...even in your car

Philips presents a new range of LEDs for signalling and interior lighting. These upgrades give drivers all the existing benefits of the actual LED lighting range, and, in addition, it becomes hassle free!

Heat resistant

- Improved temperature resistance

Maximum performance

- 4000 K bright white light

Better light output

- 5 to 6 times more light than conventional interior lighting
- Wider beam pattern

PHILIPS
sense and simplicity
